VOLUNTEERS NEEDED!

Your Homeowners Association has openings for the Architectural Committee, CC&R Committee and others! And there will be Board openings. We need your help! Please give a few hours. If you are interested, contact Community Manager, Rosmen Paguio at rpaguio@keystonepacific.com or Board President Mark Rosen (72 Saint Michael) at marksrosen@aol.com.

YOUR INPUT IS NEEDED!

The following article is by Gary Schneider, whose personal viewpoint may or may not reflect the viewpoint of the rest of the Board Members.

Your elected Board of Directors considers a variety of issues at each meeting and would prefer to make their decisions with input from you. However, recently the level of owner input has dropped substantially. Results from the recent election showed that only 52 of the 189 owners participated by even submitting a ballot. A recent request for input on the Saint John Street road project elicited only 2 responses. We also have Committees that do not have enough volunteers. All of this begs the question of how much input the majority of owners want to have in their community.

The Board is considering its role in how best to enforce our governing documents and Rules and Regulations. We are discussing a change to our enforcement process and the current fine structure. Currently, the Board can send out courtesy letters, ask owners to appear before the Board, and in rare instances, fine owners the amount of \$50.00. In an effort to put more teeth into our enforcement, a proposal has been made to increase our fine structure to a maximum of \$500.00. Hopefully, you believe that our community should have guidelines. How do you believe we would enforce these guidelines? We need your input, please! You can either attend our next Meeting or email your input to our Association Manager at rpaguio@keystonepacific.com.
